

Issued to

ix Technologies B.V.

Westvest 41, 2611 AZ Delft, The Netherlands

Noordbeek Certification B.V. certifies that the control objectives, processes, procedures and controls with regard to the management system of ix Technologies B.V. for information security have been audited and have been found to be in accordance with their Statement of Applicability, version 1.0, dated 5 February 2025, as well as with the requirements of the standard

NEN-EN-ISO/IEC 27001:2023+A1:2024

‘Information security, cybersecurity and privacy protection – Information security management systems – Requirements’. Noordbeek Certification B.V. has issued this certificate to confirm that the application area information security related to all activities for development, maintenance, hosting and support of specialized, custom software applications for desktop, mobile and web, whereby hosting is outsourced, has been assessed and was found to be compliant.

This certificate is subject to compliance conditions as specified within the NEN-EN-ISO/IEC 27001:2023+A1:2024 certification program. The certificate is valid for a three-year period from date of issue or recertification, and is subject to an annual surveillance audit for the duration of this certificate.

Report No: IXTISO6-1
